Accounting Entries Page AM1

The screenshot displays a software interface for recording accounting entries. At the top, there is a menu bar with 'Favorites' and 'Main Menu'. Below the menu, a header section contains the text 'Journal Entry' and 'Date: 11/11/11'. The main area is a grid with columns for 'Account', 'Description', and 'Amount'. The 'Account' column contains various alphanumeric codes, and the 'Description' column contains text descriptions of transactions. The 'Amount' column is divided into 'Debit' and 'Credit' sub-columns. The interface uses a color-coded layout with blue, green, and yellow highlights for different sections.

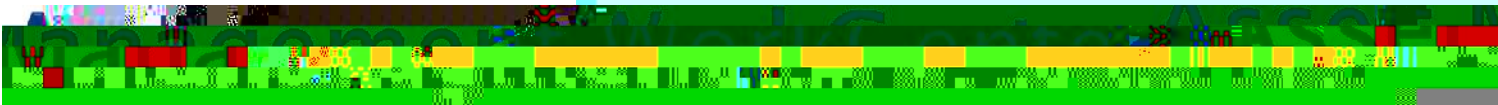

Account	Description	Debit	Credit
101	CASH		1000
102	BANK		2000
103	SALES	3000	
104	REVENUE		1500
